Speakeasy Sarina Bowen 2018-05-28 Sometimes you fall for Mr. Right. And sometimes for Mr. Right Now... May Did you hear the one about the girl who walks into a bar and catches her live-in lover kissing someone else? No? You're the only one in town who missed it. Luckily Alec is there to wrap me up in strong arms and carry me out the door before things get too ugly. And that's not all Alec is good at. Our unexpected chemistry makes him the perfect rebound guy. Alec I should know better than to hook up with my rival's little sister, but the fiery look in May's eyes really turns my crank. She needs cheering up, and I'm just the guy for the job. It's not like I'll fall in love. Not even after a string of scorching hot trysts, and the realization that we're good at the same things: wild nights and familial disappointment. I don't do love, never have, never will. So this is the perfect arrangement, for both of us. Nobody would approve, but nobody has to know... Kemp: Passage at Arms Jonathan Lunn 2018-04-23 A brilliant medieval action thriller perfect for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian. It is 1347 and the French, after a crushing defeat at Crécy, are licking their wounds while their king raises a new army. Locked into a fruitless siege, the English are camped in the marshes around Calais. Among them is foot soldier and archer Martin Kemp, whose dreams of serving his king and reliving the chivalrous adventures of King Arthur's Knights of the Round Table are tempered by the gory and brutal reality of siege warfare. Having narrowly escaped death in a surprise attack from the French, Kemp sees a chance for a reprieve when a shaky truce is signed. But can there really be peace for a man like Kemp? Kemp: Passage at Arms is packed with authentic period detail and narrative verve, and cements Jonathan Lunn's reputation as one of the most entertaining historical thriller writers working today.

With lots of features and thorough review, we present a book to help professionals as well as beginners in creating some of the most complex solid models. The book follows a step by step methodology. In this book, we have tried to give real-world examples with real challenges in designing. We have tried to reduce the gap between university use of Autodesk Inventor and industrial use of Autodesk Inventor. In this edition of book, we have included topics on Sketching, 3D Part Designing, Assembly Design, Sheetmetal, Weldments, Mold Design, Surface Design, Structural Analysis, 3D printing, MBD (Model Based Definition), 3D PDFs, and many

other topics. The book covers almost all the information required by a learner to master the Autodesk Inventor. The book starts with sketching and ends at advanced topics like Mold Design, Sheetmetal, Weldment, and MBD. Some of the salient features of this book are: In-Depth explanation of concepts Every new topic of this book starts with the explanation of the basic concepts. In this way, the user becomes capable of relating the things with real world. Topics Covered Every chapter starts with a list of topics being covered in that chapter. In this way, the user can easily find the topic of his/her interest easily. Instruction through illustration The instructions to perform any action are provided by maximum number of illustrations so that the user can perform the actions discussed in the book easily and effectively. There are about 1650 small and large illustrations that make the learning process effective. Tutorial point of view At the end of concept's explanation, the tutorial makes the understanding of users firm and long lasting. Almost each chapter of the book has tutorials that are real world projects. Moreover most of the tools in this book are discussed in the form of tutorials. Project Free projects and exercises are provided to students for practicing. For Faculty If you are a faculty member, then you can ask for video tutorials on any of the topic, exercise, tutorial, or concept.

Design Research Through Practice Ilpo Kalevi Koskinen 2011 Businesses and the HCI and Interaction Design communities have embraced design and design research. Design research as a field blends methodologies from several disciplines - sociology, engineering, software, philosophy, industrial design, HCI/interaction design -- so designers can learn from past successes and failure and don't have to reinvent the wheel for each new design (whether it's a digital product, a building, an airplane or furniture). They take into account form, function, and, ultimately, users. Many books exist in the research and academic realm for this field, but none create a usable bridge to design practice. Although business people are embracing design, they are not going to become designers. Design researchers need tools to apply their research in the real world. Design Research through Practice takes advanced design practice as its starting point, but enriches it to build a design process that can respond to both academic and practical problems. The aims of the book are to study three design research traditions that cover methodological directions in current leading research community. Taking you from the Lab, Field and to the Showroom, Ilpo Koskinen and his group of researchers show you successful traditions in design research that have been integrated into processes and products. Bridging the gap from design research to design practice, this is a must have for any designer. • Gathers design research experts from traditional lab science, social science, art, industrial design, UX and HCI to lend tested practices and how they can be used in a variety of design projects • Provides a multidisciplinary story of the whole design process, with proven and teachable techniques that can solve both academic and practical problems • Presents key examples illustrating how research is applied and vignettes summarizing the key how-to details of specific projects

Death in Florence (A Year in Europe—Book 2) Blake Pierce 2021-03-30 “When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a

surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller.” --Books and Movie Reviews (re Almost Gone) DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone has received 1,500 five-star reviews. The series (A YEAR IN EUROPE) begins with book #1 (A MURDER IN PARIS). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In DEATH IN FLORENCE (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare! A YEAR IN EUROPE is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like Eat, Pray, Love and Under the Tuscan Sun have finally found the cozy mystery series they've been hoping for! Book #3 (VENGEANCE IN VIENNA) in the series is now also available!

Engineering Drawing from First Principles Dennis E. Maguire 2012-12-02 Engineering Drawing From First Principles is a guide to good draughting for students of engineering who need to learn how to produce technically accurate and detailed

designs to British and International Standards. Written by Dennis Maguire, an experienced author and City and Guilds chief examiner, this text is designed for use on Further Education and University courses where a basic understanding of draughtsmanship and CAD is necessary. Although not written as an AutoCAD tutor, the book will be a useful introduction to good CAD practice. Part of the Revision and Self-Assessment series, 'Engineering Drawing From First Principles' is ideal for the student working alone. More than just a series of tests, the book helps assess current understanding, diagnose areas of weakness and directs the student to further help and guidance. This is a self-contained text, but it will also work well in conjunction with the highly successful 'Manual of Engineering Drawing', by Simmons and Maguire. Can be used with AutoCAD or AutoCAD LT Provides typical exam questions and carefully described worked solutions Allows students to work alone

Beginning AutoCAD 2021 Exercise Workbook for Windows(r) Cheryl R. Shrock 2020-05-11 There's simply no better resource for anyone learning about and/or teaching CAD software than the Beginning AutoCAD Exercise Workbook. Veteran AutoCAD experts and former instructors Shrock and Heather have packed the 2021 version with a vastly improved interior design layout, 30 in-depth lessons with hundreds of useful practice exercises, all new screenshots, along with tried and true features such as "CAD tips" and side-by-side metric/inch measurements. The detailed, step-by-step format makes mastering AutoCAD much easier, in or out of a formal classroom. Readers can download the provided templates used for drawings in the book from the Industrial Press website. New and/or Improved Features in Beginning AutoCAD 2021 Streamlined Trim and Extend command--Boundary edges are now selected automatically, making trimming or extending objects far more efficient. Revision Cloud enhancements--Users can use one value that measures the chord distance between the end points of each cloud arc to create more consistent revision clouds. Measure Geometry: Quick Measure--The area and perimeter of closed objects (and even multiple objects) can be measured with a simple click, all in one go. Beginning AutoCAD 2021 contains more content than ever before, yet has been redesigned and reduced by more than 100 pages, making it more manageable to read and carry.

The Art of Flourishing Jeffrey B. Rubin 2017-04-11 Discover how to cultivate the garden of relationships while nourishing your true self. In this crazy, chaotic world, we desire lasting intimacy: a close and deep-rooted relationship with someone who cherishes us--or, indeed, with ourselves. But too often being in an intimate relationship means we have to compromise, or lose, vital aspects of our personalities. How can we avoid sacrificing our own self-care to get the love we want? In this pioneering, surprising, and deeply revealing exploration of the self and how it manifests itself in relationships, Dr. Jeffrey Rubin brings the art of flourishing to life. His idea is startlingly simple: self-care is the foundation of intimacy, and intimacy is the culmination of self-care. Synthesizing the best practices from the traditions of Eastern meditation and Western psychotherapy, Rubin creates a new and accessible path to living authentically as a singular self and as part of a couple. Drawing from case studies and personal experiences, Rubin demonstrates how to discover our purpose, nurture empathy and mutual respect, and uncover barriers to intimacy--the hidden emotional weeds that kill passion. *The Art of Flourishing* helps us cultivate a garden of love where we can grow as individuals and nourish our connections with others. As we flourish, we widen our horizon of possibility, deepen our humanity, and find fulfillment.

You also get tips on how to write information that is more easily translated into other languages. You'll learn about the importance of following templates and about how structured authoring environments based on Extensible Markup Language (XML) streamline the content development process. This updated third edition features new information on the Darwin Information Typing Architecture (DITA) standard for structured authoring, and it explains the impact of Web 2.0 technologies--blogs, wikis, and forums--on technical communication.

The Boyfriend Effect Kendall Ryan 2020-10-13 A sexy new brother's best friend romance from New York Times bestselling author Kendall Ryan. I'm not boyfriend material. If a trail of broken hearts and a piss-poor record of failed relationships have taught me anything, it's this. My buddies are happy to give me shit about my latest breakup from here to next Sunday. Thanks, but I'd rather have a root canal. And a vasectomy. At the same time. Relief comes in an unlikely package--the gorgeous and feisty Maren. She just so happens to be my best friend's sister, so that's not awkward at all. But I'm a man on a mission, and Maren is down to teach me all the ways I've been failing as a boyfriend. Apparently, there are many. And it's all very informative--until I start to catch feelings. Now it's not just my reputation on the line, but my heart too. Q&A about the Frisky Business Series: Q: Are these new characters? A: Yes! Hayes and Maren are brand new characters you've never met and I can't wait to introduce you. Q: Is this part of a series? A: This is book 1 in a new series about a group of male best friends who own an adult toy company. Get ready for lots of shenanigans, feels, and a swoonworthy bromance. Each book can be read as a standalone.

The Everyday Meat Guide Ray Venezia 2016-04-12 When Rachael Ray wants to tell her 2.6 million viewers how to shop wisely at the meat counter, she invites veteran butcher Ray Venezia on her show. This handbook condenses Venezia's expert advice from 25 years behind the butcher block, giving every weeknight shopper and grill

enthusiast the need-to-know information on meat grades, best values, and common cuts for poultry, pork, lamb, veal, and beef. The Everyday Meat Guide includes easy-to-follow illustrations and instructions for the questions butchers are most often asked, plus a handy photo gallery for quick identification at the market. Also Includes Ray Venezia's popular turkey carving method, as seen in The New York Times, with step by step instructions including hand placement illustrations. This refreshingly simplified, confidence-instilling take on the most intimidating part of grocery shopping makes navigating the meat counter truly easy.

The Effing List Cherise Sinclair 2021-06-15 If you haven't read this series, you're missing out. Sinclair writes the best Doms. Period. ~ Under the Covers Book Blog Let's liven up our marriage. It'll be fun. Then her husband brought two slaves into the house. That was the end of that. Divorce achieved, Valerie is working on her goals. Friends: has a new one. Fitness: little muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom—a fellow professor--teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list—fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a Masters of The Shadowlands book and get lost and come out feeling warm, safe, and floaty. Just like being in "sub space". ~ Marie's Tempting Reads

Good To Be Bad Lauren Blakely 2021-05-11 It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in... GOOD TO BE BAD is a sexy standalone romance in the Good Love series!
