Atrocities, Massacres, and War Crimes: An Encyclopedia [2 volumes] Alexander Mikaberidze 2013-06-25 Both concise and wide-ranging, this encyclopedia covers massacres, atrocities, war crimes, and genocides, including acts of inhumanity on all continents; and serves as a reminder that lest we forget, history will repeat itself. • Provides coverage of atrocities, massacres, and war crimes that is wide-ranging in scope and historical perspective, covering everything from genocides to isolated actions that constituted grave breaches of the laws of war • Comprises contributions from over 200 scholars, including international law experts currently prosecuting war crimes • Contains a lengthy chronology of major atrocities throughout history • Written in accessible and clear language appropriate for college freshmen and general readers

Atrial Fibrillation Jong-II Choi 2012-01-11 Atrial Fibrillation-Basic Research and Clinical Applications is designed to provide a comprehensive review and to introduce outstanding and novel researches. This book contains 22 polished chapters and consists of five sections: 1. Basic mechanisms of initiation and maintenance of atrial fibrillation and its pathophysiology, 2. Mapping of atrial fibrillation and novel methods of signal detection. 3. Clinical prognostic predictors of atrial fibrillation and remodeling, 4. Systemic reviews of catheter-based/surgical treatment and novel targets for treatment of atrial fibrillation and 5. Atrial fibrillation in specific conditions and its complications. Each chapter updates the knowledge of atrial fibrillation, providing state-of-the art for not only scientists and clinicians who are interested in electrophysiology, but also general cardiologists.

Collected by Thea Westreich Wagner and Ethan Wagner Christine Macel 2015-01-01 Published on the occasion of an exhibition celebrating the Wagners' promised gift of more than 850 works of art to the Whitney Museum of American Art, New York, and the Musaeæ national d'art moderne, Centre Pompidou, Paris, held at the Whitney Museum of American Art, November 20, 2015-March 6, 2016, and at the Centre Pompidou, June 16, 2016-January 2017.

2hverhvnøt Jared Chapman 2020-09-08 Welcome to Fellowship City, where the Haves are super-powered, and the Have-Nots are just like you. The Mighty have all the wealth, fame, power, and superpowers, but even they are subject to the monastery's control. To maintain peace, telepathic monks see into the past, present, and future to police the other Mighty and the minority of powerless Citizens, who have nothing but their identity tags tattooed on their wrists. Twenty-year-old Mario lives with his kid sister in one of the many camphouses on the island south of the city. Unlike the other citizens he stands in line with every morning waiting to be bussed to work, he actually likes his downtown job and the Mighty restaurateur who employs him. At least, he did. This morning, the grisly, undetected murder of his boss changes everything. In a flash, Mario becomes the primary suspect and must race against time to prove his innocence in a world that oppresses the powerless. Part READY PLAYER ONE. Part DIVERGENT. Part MINORITY REPORT. Totally Superpowered! 2HVØRHVNØT has fast-paced action, suspense, horror, and mature themes that are sure to keep readers on the edge of their seats. Get it today! Fair Warning: This is not your kids' superheroes book.

Audel.Machine.Shop.Basics Rex Miller 2004-01-30 Use the right tool the right way Here, fully updated to include new machines and electronic/digital controls, is the ultimate guide to basic machine shop equipment and how to use it. Whether you're a professional machinist, an apprentice, a trade student, or a handy homeowner, this fully illustrated volume helps you define tools and use them properly and safely. It's packed with review questions for students, and loaded with answers you need on the job. Mark Richard Miller is a Professor and Chairman of the Industrial Technology Department at Texas A&M University in Kingsville, Texas. * Understand basic machine shop practice and safety measures * Recognize the variations in similar tools and the purposes they serve * Learn recommended methods of mounting work in different machines * Obtain a complete working knowledge of numerically controlled machines and the operations they perform * Review procedures for safe and efficient use of cutting tools and cutters * Expand your knowledge with clear, step-by-step illustrations of proper equipment set-up and operation **Attack at the Arena** Paul McCusker 2012-03-27 Patrick and his cousin Beth travel back in time to ancient Rome, where they meet Telemachus and help put an end to the spectacle of gladiators fighting to the death.

Atria Books: A Booklovers Sampler Jamie McGuire 2013-04-23 You've heard of love at first sight—but have you experienced love at first read? Introducing six of the most talented new voices in contemporary women's fiction. Prepare to fall head over heels for... Beautiful Disaster by Jamie McGuire Abby Abernathy is a good girl, who could bring the ultimate bad boy to his knees...but not before the secrets of her own dark past come back to haunt her. Love Unscripted by Tina Reber Taryn Mitchell is nursing a recent heartbreak, and content to keep her distance from men for a while...until Hollywood's most sought after actor walks into her small-town pub and turns her world upside down. Naked by Raine Miller Brynne Bennett is an American art student in London swept up in a torrid love affair with a sexy, successful businessman—who proves to be as domineering in the bedroom as he is in the boardroom. One Tiny Lie by K.A. Tucker After navigating the death of her parents and her older sister's self-destructive phase, smart and stable Livie thinks Princeton should be a breeze—but Jell-O shots, a party-animal roommate she can't say "no" to, and Ashton, the gorgeous but arrogant captain of the men's rowing team were definitely not part of the plan... The Sea of Tranquility by Katja Millay A story of first love—and forever love: In the midst of a bustling high school, a fragile girl and a lonely boy find each other. As they grow closer, the attraction between them grows, too—but can either of them risk losing the friendship that's saved them from their troubled pasts for a romance that might just shape their future? Slammed by Colleen Hoover The unexpected death of her father has left Layken feeling lost and invisible—until she meets Will, her new neighbor and a passionate poet. Sparks soon fly...but a shocking discovery could bring their relationship to a slamming halt before it's even fully begun.

Attack At Dead Man's Bay - Max Cassidy 3 Paul Adam 2012-01-05 This is the third book in Paul Adam's fast and furious Max Cassidy thriller series. Teenage escapist, Max Cassidy, knows for sure that his mother did not kill his father, his father is not even dead . . . But somebody seems very determined to prevent Max from discovering the truth - in fact, somebody wants him dead. In this, the final instalment of the thrilling Max Cassidy series, Max travels across the world; from London to San Francisco to Russia in his quest to be reunited with his family.

Attachment E J M Bowlby 2008-12-02 In this classic work of psychology John Bowlby examines the processes that take place in attachment and separation and shows how experimental studies of children provide us with a recognizable behaviour pattern which is confirmed by discoveries in the biological sciences. He makes clear that human attachment is an instinctive response to the need for protection against predators, and one as important for survival as nutrition and reproduction.

How to Day Trade From Home Edward Day 2020-07-30 Build a brand new life by spending less than an hour a day at home doing this... Are you sick of the same old boring routine day after day? Are you ready for a life of financial freedom—one that allows you to work from wherever you want in the world, be it a luxury hotel, sandy beach, or even a remote jungle getaway? The year is 2020 and this type of lifestyle is no longer the stuff of science fiction. In fact, building the life of your dreams has never been easier. Whether you're happily single and ready to take off on a one-way ticket, or you have a family to support and just need to be earning more in less time, the opportunity is out there. Did you know that in 2019, 43% of Americans had a job that allowed them to work from home? Times are changing, and they are changing fast. But what if your skillset isn't conducive to working at home or from a laptop? There are thousands of ways to earn a living without having a "real job," and among them is one of the most riveting and euphoric experiences you will ever pursue. Not only is day trading an incredibly uplifting pursuit, but it's also a field that can easily become a profession while earning you a financial killing in the process. In How To Day Trade From Home, you'll discover: The origins of day trading and why its rise in popularity is something you should be paying attention to How to mitigate the risks and capitalize on reward from the very first trade An in-depth look at the terminology and know-how of day trading, allowing you to enter the field of battle armed and ready The key to understanding tax laws that could save you thousands What to look for in a broker and how to choose the best one to fit your specific needs The top 5 mistakes all starting day traders make and how you can avoid them The secret weapons to success in day trading that will give you an unfair advantage in gaining profit A step-by-step action guide to developing your own unique strategy ... and much more. You don't have to continue waking up every morning and dreading what life has to offer. Leave that lousy job behind and begin living the life you've always wanted—one of freedom and peace, of exhilaration and fulfillment. The beauty of day trading is that you can begin however small you'd like, or are comfortable with, and then scale your way up. It won't happen overnight, but with a bit of determination and focus, as well as the right tools, techniques, and understanding, you will be earning back what you invested (and more) before you know it. Mere months from now, you will look back on your life and ask yourself just one simple question: "Why didn't I start sooner?" If you're ready to begin a worthy career where no one can ever again tell you what to do or how to act, then scroll up and click the "Add to Cart" button right now.

Principles of Semiconductor Devices Sima Dimitrijevic 2012 "This dynamic text applies physics concepts and equations to practical, real-world applications of semiconductor device theory"--

Attaining Your Desires Genevieve Behrend 2017-01-30 If You Could Talk To The Greatest Master of This Century - What Would You Ask? The sages of the centuries, each one tincturing their thought with their own soul essence, have united in telling us that, ""As a man thinketh in his heart, so is he."" It has been established by the experience of the ages that always the law is the same. But HOW shall one think in their heart, so that only goodness may blossom and ripen into rich deed and rare result? What is the apparently mysterious secret by which life's dull metal is transmuted into precious mintage? As Troward has said, ""Thought is the only action of the mind. By your habitual thoughts you create corresponding external physical conditions, because you thereby create the nucleus which attracts to itself its own correspondence, in due order, until the finished work is manifested on the material plane."" Let us work together to this end. G.B (from the Foreward) Get Your Copy Now!

Audel Practical Electricity Paul Rosenberg 2004-06-21 Everything begins with the basics To succeed in any of today's electrical specialties, you must firstunderstand the fundamentals. The Attack of the Alien Brain Steve Hartley 2013-01-03 Hi! I'm Oliver Tibbs (some people call me 'Oliver Fibbs') and everyone in my family is super-brilliant at something - chess, ballet, brain surgery and architecture - but I'm not brilliant at anything. Show and Tell (or as I call it: Pain and Torture Time) is my worst nightmare . . . I haven't got a black belt at karate or made a mega-powerful electro-magnet. All I'm good at is reading comics and eating pizza. But I'm fed up with being Dull and Boring, so I've been telling the class about my adventures as a Defender of Planet Earth - battling against the evil Alien Brain Drain who wants to take over the world! Everyone loved it except Miss Wilkins, who gave me a detention for telling fibs. Now my parents think I'm Going Bad. I keep telling them - THEY'RE NOT FIBS, THEY'RE STORIES!

Honda C50, C70 & C90 1967 to 1999 Mervyn Bleach 1999 With a Haynes manual, you can do it yourself...from simple maintenance to basic repairs. The Privilege of Youth Dave Pelzer 2004-12-28 The #1 New York Times and #1 internationally bestselling author who is a shining example of what overcoming adversity really means now shares the lost chapter of his uplifting journey, which has touched the lives of millions. From A Child Called "It" to The Lost Boy, from A Man Named Dave to Help Yourself, Dave Pelzer's inspirational books have helped countless others triumph over hardship and misfortune. In The Privilege of Youth, he shares the missing chapter of his life: as a boy on the threshold of adulthood. With sensitivity and insight, he recounts the relentless taunting he endured from bullies; but he also describes the thrill of making his first real friends—some of whom he still shares close relationships with today. He writes about the simple pleasures of exploring his neighborhood, while trying to forget the hell waiting for him at home. From high school to a world beyond the four walls that were his prison for so many years, The Privilege of Youth bravely and compassionately charts this crucial turning point in Dave Pelzer's life and will inspire a whole new generation of readers.

Jack McAfghan Kate McGahan 2015-04-02 An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend.Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives.This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

33 FAQ about how to Get Your Book Published Cornerstone Publishing 2020-11-17 Everything you need to know about how to get your book published - in one concise booklet! 33 FAQ about how to get your book published.

Atrocitas Aqua David Bowlin 2003-02-01 Herman Melville said it best when he proclaimed that every path eventually leads to the sea. For it is the sea that holds our most sacred and terrifying fears, yet it also holds a glorious mysticism over us as a race, an attraction so strong that most of us flock to beaches, river banks, creeks, and lakes at every opportunity to stare out into the vast blueness and wonder: what's out there?Take my hand, Dear Reader, and swim with me through this journey of sixteen tales of watery terror. As we swim, if something reaches out of the darkness and gropes for your ankle, if something pulls you deeper into the depths of liquid madness, if your breath is stolen from you and you find yourself inhaling nothing but muddied water... do not fear, for it is just the ocean reclaiming what is already hers: your soul.

Cage of Bone 2020-11 "Cage of Bone" is a collection of poetry and prose about survival, hope, loss and the persistent feeling of having no control. "Cage of Bone" will take readers into the darkest parts of what it means to be human and mostly what it means to be a woman, in a rough and raw voice, driven from the depths of the alleys mother warned you to stay away from. The game of life is hard to play, but if you win you better change, the thorns gripped tight but then gave way...But instead of becoming a beacon, I became the monster, I became a black hole. This is the first book in the "Black Hole" collection of short poetry books. Each book in the black hole series can be read as a standalone.

Adam and Eve After the Pill Mary Eberstadt 2012-02-02 Secular and religious thinkers agree: the sexual revolution is one of the most important milestones in human history. Perhaps nothing has changed life for so many, so fast, as the severing of sex and procreation. But what has been the result? This ground-breaking book by noted essayist and author Mary Eberstadt contends that sexual freedom has paradoxically produced widespread discontent. Drawing on sociologists Pitirim Sorokin, Carle Zimmerman, and others; philosopher G.E.M. Anscombe and novelist Tom Wolfe; and a host of feminists, food writers, musicians, and other voices from across today's popular culture, Eberstadt makes her contrarian case with an impressive array of evidence. Her chapters range across academic disciplines and include supporting evidence from contemporary literature and music, women's studies, college memoirs, dietary guides, advertisements, television shows, and films. Adam and Eve after the Pill examines as no book has before the seismic social changes caused by the sexual revolution. In examining human behavior in the post-liberation world, Eberstadt provocatively asks: Is food the new sex? Is pornography the new tobacco? Adam and Eve after the Pill will change the way readers view the paradoxical impact of the sexual revolution on ideas, morals, and humanity itself.

Atrocity and American Military Justice in Southeast Asia Louise Barnett 2010-01-21 This book is an examination of American army legal proceedings that resulted from a series of moments when soldiers in a war zone crossed a line between performing their legitimate functions and committing crimes against civilians, or atrocities. Using individual judicial proceedings held within war-time Southeast Asia, Louise Barnett analyses how the American military legal system handled crimes against civilians and determines what these cases reveal about the way that war produces atrocity against civilians. Presenting these atrocities and subsequent trials in a way that considers both the personal and the institutional the author considers how and why atrocity happens, the terrain of justification, and the degree to which the army and American society have been willing to take military crimes against civilians seriously. Atrocity and American Military Justice in Southeast Asia will be of interest to students, scholars and professionals interested in Military Justice, Military history and Southeast Asian History more generally.

Korean Jaehoon Yeon 2019-06-25 Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

Weird_But_True!_4 National Geographic Kids 2012 "300 more mind-bending facts that are almost too amazing to believe"--Page 4 of cover.

3D Story Rachna Sharma 2021-03 Mrs. Smith called Aidan over. Before she could say something, she notices, Aidan had been crying too! His eyes were red, and his face smudged in tears. He could barely speak. "You've both told me two sides of the story. But do you know there's a third side of it too?" Mrs. Smith started explaining. Learning to consider a situation from a different perspective is often a difficult task for young children. This story helps children to review and reflect on a conflicting situation. Teachers can read this story in the classroom to help students navigate such situations better. The author provides helpful suggestions for teachers on the last page, bringing up topics such as 'Mindful Talking' and 'Calming Strategies' to avoid conflicts.

J. Ryan 2017-10-01 Discover the life-changing power of practicing gratitude in your daily life with this new edition of the inspirational classic. Foreword by Mark Nepo, bestselling author of The Book of Awakening. Gratitude is a simple, profound practice that can transform your life. Research has confirmed its many emotional and physical benefits. Taking the time to notice and reflect upon good things opens our hearts, increases happiness, and puts us in a positive mindset where we are prone to notice what's right instead of what's wrong. In a series of brief, evocative essays, personal success mentor M. J. Ryan teaches you how to unlock the fullness of life through the simple joy of living from a grateful heart. As she writes, "Gratitude births only positive feelings: love, compassion, joy, and hope. As we focus on what we are thankful for, fear, anger, and bitterness simply melt away, seemingly without effort." Attitudes of Gratitude will teach you how to reach this positive place.

Aunty Lee's Deadly Specials Ovidia Yu 2014-09-30 Rosie "Aunty" Lee, the feisty widow, amateur sleuth, and proprietor of Singapore's best-loved home cooking restaurant, is back in another delectable, witty mystery involving scandal and murder among the city's elite. Few know more about what goes on in Singapore than Aunty Lee. When a scandal over illegal organ donation involving prominent citizens makes news, she already has a list of suspects. There's no time to snoop, though--Aunty Lee's Delights is catering a brunch for local socialites Henry and Mabel Sung at their opulent house. Rumor has it that the Sung's fortune is in trouble, and Aunty Lee wonders if the gossip is true. But soon after arriving at the Sung's house, her curiosity turns to suspicion. Why is a storage house she discovers locked? What is the couple arguing about behind closed doors? Where is the guest of honor who never showed up? Then, Mabel Sung and her son Leonard are found dead. The authorities blame it on Aunty Lee's special stewed chicken with buah keluak, a local black nut that can be poisonous if cooked improperly. Aunty Lee has never carelessly prepared a dish. She's certain the deaths are murder--and that they're somehow linked to the organ donor scandal. To save her business and her reputation, she's got to prove it--and unmask a dangerous killer whose next victim may just be Aunty Lee.

Guide to Biometric Reference Systems and Performance Evaluation Dijana Petrovska-Delacrétaz 2009-04-05 Biometrics has moved from using fingerprints to using many methods of assessing human physical and behavioral traits. This guide introduces a new performance evaluation framework designed to offer full coverage of performance evaluation of biometric systems.

Atticus Claw Goes Ashore Jennifer Gray 2014-03-04 Atticus is on beach tidying duty with the kittens when he finds a message in a bottle from Fishhook Frank. Fishhook is marooned on a desert island, but he promises Atticus treasure in exchange for his rescue! The treasure in question is the Casket of Desires, which contains a sleeping mermaid who has the power to grant any wish. But it is hidden in the deepest darkest part of the ocean, protected by the most hideous, fearsome sea-creatures known to pirate lore. Atticus sets out to rescue Fishhook Frank and find the Casket of Desires with his owners, the Cheddar family. But it's not all plain sailing. The pirate with the biggest beard-jumper in the nautical world - Captain Black Beard-Jumper - is also on the look out for the Casket and he'll curse anyone who gets in his way...

Fluid Dynamics M.D.Raisinghania 2003-12-01 For Honours, Post Graduate and M.Phil Students of All Indian Universities, Engineering Students and Various Competitive Examinations

Attack of the Copula Spiders Douglas Glover 2012-03-27 A GLOBE & MAIL BEST BOOK OF THE YEAR FOR 2012 "Glover is a master of narrative structure." --Wall Street Journal In the tradition of E.M. Forster, John Gardner, and James Wood, Douglas Glover has produced a book on writing at once erudite, anecdotal, instructive, and amusing. Attack of the Copula Spiders represents the accumulated wisdom of a remarkable literary career: novelist, short story writer, essayist, teacher and mentor, Glover has for decades been asking the vital questions. How does the way we read influence the way we write? What do craft books fail to teach aspiring writers about theme, about plot and subplot, about constructing point of view? How can we maintain drama on the level of the sentence--and explain drama in the sentences of others? What is the relationship of form and art? How do you make words live?

Whether his subject is Alice Munro, Cervantes, or the creative writing classroom, Glover's take is frank and fresh, demonstrating again and again that graceful writers must first be strong readers. This collection is a call-to-arms for all lovers of English, and Attack of the Copula Spiders our best defense against the assaults of a post-literate age. Douglas Glover is the award-winning author of five story collections, four novels, and two works of non-fiction. He is currently on the faculty of the Vermont College of Fine Arts MFA in Writing program. Praise for Douglas Glover "So sharp, so evocative, that the reader sees well beyond the tissue of words into ... the author's poetic grace." - The New Yorker "Glover invents his own assembly of critical approaches and theories that is eclectic, personal, scholarly, and smart ... a direction for future literary criticism to take." - The Denver Quarterly "A ribald, raunchy wit with a talent for searing self-investigation." - The Globe and Mail "Knotty, intelligent, often raucously funny." - Maclean's "Passionately intricate." - The Chicago Tribune "Darkly humorous, simultaneously restless and relentless." - Kirkus Reviews
