Exploring the Deep, Dark Sea Gail Gibbons 2020-03-24 Dive deep with Gail Gibbons as she explains the mechanics and discoveries of deep-sea exploration. The surface of the moon is more familiar to us than the deep sea of our own planet. Many oceanographers are trying to change that. To explore the deep sea, they climb into submersibles and employ Remotely Operated Vehicles to find out more about the ocean and ocean floor. In *Exploring the Deep, Dark Sea*, nonfiction rockstar Gail Gibbons invites readers along for a journey to the depths of the ocean. Without leaving home, readers will learn about the types of animals found at different sea levels. With her trademark combination of clearly-labeled diagrams, infographics, and accessible language, Gibbons explains the technology for exploration, and the many fascinating discoveries scientists have made in the darkest reaches of the ocean. A perfect introduction for aspiring oceanographers, marine biologists, and conservationists, this new edition has been vetted by an expert oceanographer.

In the process, she reveals hidden worlds and a dazzling menagerie of behaviours and animals. Alongside Widder, we experience life-and-death equipment malfunctions and witness breakthroughs in technology and understanding, all of it set against a growing awareness of the deteriorating health of our largest and least understood ecosystem. Shattering Truths Kyrian Lyndon 2017-01-30 She was left fighting her demons alone . . . For sixteen-year-old Danielle DeCorso, the old house in Glastonbury was an eerie place to grow up. Coping with mental health challenges exacerbated by a traumatic family dynamic, Danielle watches from the window for two men in a dusty black sedan who keep circling the house and harassing her with phone calls. The two predators drugged her and her cousin, Angie, and then lured them from Pleasure Beach in Bridgeport to a secluded cottage on Long Beach West. She remembers feeling dizzy, the room spinning. She recalls screaming, crying, fighting, and then slipping in and out of consciousness. Angie, however, has no recollection of the incident. When Danielle attempts to jog Angie's memory and convince their best friend, Farran, that the two strangers had victimized them, no one seems to believe her. Alone in her pain, Danielle remains guarded, obsessed, and withdrawn. Soon she is sinking deeper into a tumultuous world of adolescent isolation and change. Grief, guilt, and anger send her spiraling into an even darker place. Tormented by terrifying nightmares, she fears she will lose her sanity, or possibly her soul. Is she having post-traumatic stress hallucinations, as one of her friends suggest, or are her recurring nightmares as real as they seem? Trapped in an unyielding emotional bondage, Danielle continues the fight to reclaim her power. Startling revelations awaken her newfound spirit, inspiring a once naive girl to grow into a woman of defiance and courage. *Shattering Truths* is a revised edition of *Deadly Veils Book One*, previously published by Kyrian Lyndon in 2016 under the title *Provenance of Bondage*. Hearing from God David M. Arns 2016-08-11 Many daily devotionals are in very small, bite-sized installments that you can read in three minutes or less. This may be very appropriate for people who are always on the go, and are doing so at God's leading. But such tiny tidbits, while they may be very good and very true, are still pretty small, and as such, have insufficient room to get very deep. As such, they are barely spiritual hors d'oeuvres, let alone a hearty spiritual meal of "strong meat." If you have a bit more time, this devotional is a good alternative. It goes into greater depth and breadth in the Scriptural support and elaboration. You may notice that the list of Scripture references at the bottom of each day's entry is longer than you have seen in other daily devotionals. This is deliberate: You'll be blessed if you read all the Scriptures for each day's devotional, even if two or three passages seem to say the same thing-when the Bible makes similar statements but expresses them slightly differently, the various nuances of meaning are significant and enlightening; they are not merely accidental. There is amazing depth in the Scriptures. . .

The Bad Canadian Leonard G. Moko 2016-10-24 IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective

and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

The Battle and Victory of the Soul Nozipho Ronalda Zubane 2013-05 Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of *The Battle and Victory of the Soul*, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. The Pursuit of Passion George Kahn 2013-09-25 Has it• Been a rough day?• Been a rough year?• Been a rough career? A concise book of deep thought and meditation, *The Pursuit Of Passion* is one of those rare experiences that comes along only once in a great while. It is a treasury of thoughtful, insightful reminders that can be read in one sitting, or can be referred to daily, one page at a time. The book takes you on a journey from the

darkest days of the 2009 Great Recession to a place of recovery, creativity, hope and passion. "These writings came from a promise. Right before Memorial Day 2009, I met with my business coach Joe Stumpf. After 20 years as a commissioned loan officer, I had just lived through possibly the worst year ever in the business. My previous company had collapsed in the mortgage meltdown of 2008. During the previous 12 months my assistant had earned more money than I had. About 50% of the people in my industry were either out of work or actively looking for jobs in other areas of business. Things looked bleak, and there was no fun left. Work had become a painful grind with very little financial reward to show for all the time spent. I shared my total burn out in the business of 20 years with my coach. Frustrated by what my life had become, it became clear that something had to give. Either I had to change jobs, or change my attitude. Maybe both! I promised to get up at 5:00 AM every day, meditate and journal, and focus on bringing passion back into every aspect of my life, my work, my family and my personal growth. Instead of going to work every day and having a pity party, I have decided to have a passion party. These writings (a sample of the 475+ entries from the website <http://passionparty09.blogspot.com>) are the outgrowth of that commitment. I hope they inspire you to find your passion, and that you enjoy reading them as much as I did writing them." -George Kahn "When a person integrates the practical and the artistic, the material and the spiritual, I listen. The world has more than enough disconnection; I am inspired by people who put things together. Real passion flows from these poems, the product of a mind and heart in synch." -Shmuel Klatzkin, Rabbi

The Last Legend J. B. Wichterich 2014-05 A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile

scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...
