The Paper & Hearts Society
Lucy Powrie 2019-06-13
The first Paper & Hearts Society adventure. Join Tabby and The Paper & Hearts society gang in this joyful comfort read and celebration of books from Booktuber Lucy Powrie - all about what happens when you let your weird out! The perfect book for fans of Alice Oseman, Holly Smale and Zoella. Tabby Brown is tired of trying to fit in. She doesn't want to go to parties - in fact, she would much rather snuggle up on the sofa with her favourite book. It's like she hasn't found her people ... Then Tabby joins a club that promises to celebrate books. What could go wrong? EVERYTHING - especially when making new friends brings out an AWKWARD BUZZING feeling all over her body. But Olivia, Cassie, Henry and Ed have something that makes Tabby come back. Maybe it's the Austen-themed fancy-dress parties, or Ed's fluffy cat Mrs Simpkins, or could it be Henry himself ... Can Tabby let her weird out AND live THE BEST BOOKISH LIFE POSSIBLE?

Radical Friendship
Kate Johnson 2021-08-24
A case for friendship as a radical practice of love, courage, and trust, and seven strategies that pave the way for profound social change. Grounded in the Buddha’s teachings on spiritual friendship, Radical Friendship shares seven strategies to help us embody our deepest values in all of our relationships. Drawing on her experiences as a leading meditation teacher, as well as personal stories of growing up multiracial in a racist world, Kate Johnson brings a fresh take on time-honored wisdom to help us connect more authentically with ourselves, with our friends and family, and within our communities. The divides we experience within us and between us are not only a threat to our physical and emotional health—they are also the weapons and the outcomes of structural oppression. But through wise relationships, it is possible to transform the barriers created by societal injustice. Johnson leads us on a journey to becoming better friends by offering ways to show up for our own and each other’s liberation at every stage of a relationship. Each chapter ends with a meditation or reflection practice to help readers cultivate vibrant, harmonious, revolutionary friendships. Radical Friendship offers a path of depth and hope and shows us the importance of working toward collective wellbeing, one relationship at a time.

My People
Billie-Jean Taylor 2020-11-24
Shaylah is five and she has a big, beautiful family. There are naughty little brothers and lots and lots of cousins. Shaylah wants you to meet her people. Who are your people?

Get Together
Bailey Richardson 2019-08-20
Although communities feel magical, they don’t come together by magic. Get Together is a guide to cultivating a community-people who come together over what they care about. Whether starting a run crew, helping online streamers connect with fans, or sparking a movement of K-12 teachers, the secret to community-building is the same: don’t fixate on what you can do for people (or what they can do for you). Instead, focus on what you can do with them. In Get Together, the People & Company team provides stories, prompts, and principles for each stage of cultivating a passionate group of people. Every organization holds the potential to build and sustain a thriving community. Get Together shows readers how companies and customers, artist and fans, or organizers and advocates, can join forces to accomplish more together than they could have alone.

The Four Loves
C. S. Lewis 2017-02-14
A repackaged edition of the revered author’s classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

In Sensorium
Tania’s 2022-02-08
From the critically acclaimed author of Bright Lines comes a brilliant and expansive collection of meditations on the history of South Asia through the lens of our most primordial yet sense: scent. At once memoir and reckoning, In Sensorium interlaces memories of childhood in the South, Midwest and New York with a universe of memories and scent—a sensorium—while offering a critical, alternate history of South Asia from a Bangladeshi Muslim femme perspective. At the heart of this work is an interrogation of the ancient violence of caste, rape culture, patriarchy, war, and the inherited ancestral trauma of being from a verdant land constantly denuded and extracted, a land still threatened and disappearing because of colonization, capitalism, and climate change. In Sensorium examines how fragrance has been used to demarcate who is civilized and who is barbaric, who is pure and who is polluted, who is free and who is damned. Weaving together eons of South Asian perfume history, erotic and religious texts, survivor testimonies, and material culture with Tania’s personal history, In Sensorium is archive and art, illuminating the great crises of our time with the language of resistance. .

Thy People My People
Elisabeth Hoemberg 2018-01-04
Letters and diaries 1938-1946, a long out-of-print, firsthand account of life in Germany under the Nazis from just prior to the start of World War II, to the Allied Military Government and the beginning of modern Europe. A ‘real discovery’, this is a rare glimpse into the rise and collapse of a fascist government based on lies, armed terror, and incitements to hatred. The dire consequences of Hitler’s rise, the everyday suffering inflicted on the German people as well as the people of the world, and the grass roots resistance in a little village, reflected in the experiences of this Canadian academic and her German husband, is especially timely in the light of the recent escalation of militarism and calls in the U.S. and elsewhere for persecution of peoples based on race, religion, gender and ethnicity. Though they had a deep affection for their country, the Hoembergs “had no illusions about the future or about the German people’s responsibility for what had happened. There is not a line of false sentiment or special pleading in the book.” (from a review by noted historian Alan Bullock).

My People
Oodgeroo Noonuccal 2020-11-09
Immerse yourself in the poetry of one of Australia’s foremost Indigenous artists My People is a compilation of the poetry of Oodgeroo, of the tribe Noonuccal, Custodian of the land Minjerribah. This collection of captivating poetry detailing the struggle of Australia’s Indigenous peoples is more relevant today than ever before. While she passed away in 1993, Oodgeroo remains one of Australia’s most influential Aboriginal poets. Her poetry leaves little room to argue why that shouldn’t be the case. Razor-sharp and incisive, while simultaneously haunting and beautiful, Oodgeroo’s poems will enchant both young and old alike. My People is a bewitching collection of Oodgeroo’s poems that belongs on the bookshelves of every art lover and anyone with an appreciation of the written word.

Find Your People Study Guide
plus Streaming Video
Jennie Allen 2022-02-22
You Aren’t Alone in Feeling Alone
Never in the history of civilization have we been more connected and felt more alone. We are all so lonely. What if the ways we have set up our lives are fundamentally broken? In the Find Your People video Bible study, bestselling author Jennie Allen looks at the original community in Genesis, the Trinity, and the creation of people to see what God had planned for us all along. Jennie offers practical solutions for creating true community in a world that’s both more connected and more isolating than ever before. Drawing on fascinating insights from science and history, timeless biblical truth, and vulnerable stories from her own life, Jennie helps us discover exactly how to dive into the deep end and experience the full wonder of community. Along the way, we’ll discover the five life patterns required to build deep, connected relationships. You were created to play, engage, adventure, and explore—with others. Because while the ache of loneliness is real, it doesn’t have to be your reality. This study guide has everything you need for a full Bible study experience, including: The study guide itself - personal study between sessions, and a Leader’s Guide. An individual access code to stream all seven video sessions online (you don’t need to buy a DVD!). Watch on any device! Streaming video access code included. Access code subject to expiration after 12/31/2027. Code may be redeemed only by the recipient of this package. Code may not be transferred or sold separately from this package. Internet connection required. Eligible only on retail purchases inside the United States. Void where prohibited, taxed, or restricted by law. Additional offer details inside. Designed for use with the Find Your People Conversation Card Deck, sold separately.

Let My People Go!
Tilda Balsley 2011-09-01
The Passover story is enlivened in this creative rendition of the Ten Plagues. Everyone can take part as Moses implores Pharaoh to "Let My People Go!" This light-hearted rhyming tale can be read alone or with a cast of characters as a "Reader's The

Nothing to Prove
Jennie Allen 2017-01-31
The visionary behind the million-strong IF:Gathering challenges Christian women to discover what it means to do life with God rather than always striving to impress him, in this trade paperback edition of her perspective-shifting work, which now includes bonus material to enhance your book club experience, including discussion questions and easy-to-create recipes. All too many of us struggle under the weight of life, convinced we need to work harder to prove to ourselves, to others, and to God that we are good enough, smart enough, and spiritual enough to do the things we believe we should. Author and Bible teacher Jennie Allen invites us into a different experience, one in which our souls overflow with contentment and joy. In Nothing to Prove she calls us to...
* Find freedom from self-induced pressure by admitting we’re not enough—but Jesus is.
* Admit our greatest needs and watch them be filled by the only One who can meet them.
* Make it our goal to know and love Jesus, then watch what He does in and through us.
As you wade into the refreshing truth of the more-than-enough life Jesus offers, you’ll experience the joyous freedom that comes to those who are determined to discover what God can do through a soul completely in love with Him.
* * * * *
These pages are what your soul is begging for! —Ann Voskamp
"Nothing to Prove takes us on a journey toward freedom from the need to measure up." —Mark Batterson
We love this glorious and universally resonating message." —Louie and Shelley Giglio
"This book will help you take your eyes off your problems and put them back on God’s promises." —Christine Caine

Don't Mom Alone
Heather MacFadyen 2021-10-12
Being a good mom isn't about doing everything right to create a set of perfect trophy children--though every mom has felt the pressure to do just that and to do it all on her own. To ask for help feels like defeat. Yet when we try to do it all by our own strength, we end up depleted, lonely, and ineffective. Heather MacFadyen wants you to know that you are not meant to go it alone. Sharing her most vulnerable, hard mom moments, she shows how moms can be empowered by God, supported by others, and connected with their children. With encouragement and insight, she helps you foster the key relationships you need to be the mom you want to be. Whether you work or stay home, whether you have teenagers or babes in arms, you'll find here a compassionate friend who wants the best--not just for your kids but for you.

How to Find Your Tribe
Kiv Books 2017-06-18
In an ever-changing and exclusive "me" world it is increasingly difficult to find people that would be our permanent group of friends. It is hard to even imagine a squad that won't change members every so often. But what if you aren't the type to move out of your comfort zone? What if it is hard for you to make new friends? Are you going to just do things on your own or are you going to suffer in silence around people who don't really get you? The answer is NEITHER. You have to find a way to be able to gain the kind of friendships that would be lasting and meaningful. You have to find, make and grow your tribe. First you need to figure out what a tribe means in this day and age. The traditional meaning is a group of dwellers who grew up together in the same culture and speak a similar language. But that is not the kind of tribe that we are going to talk about here. You have to expand the meaning of that word and go ahead and identify the kind of people whom you want to have in your life. There are a lot of challenges involved in bringing people into your life. There would be some heartbreak when you have to let people go too. But all the experiences that you would have would give you a solid group of people who would be there willing to grow old with you and share their lives with you. And it would be all worth all the effort you put into it.

Belong
Radha Agrawal 2018-09-04
Get ready to focus on the single most important thing you can do to live a happy, healthy, and successful life: BELONG. "Read this book, do what it says, and discover exactly where you fit in." —John Mackey, Co-founder and CEO, Whole Foods Market "If you want to belong, read this book." —Deepak Chopra, MD "From the moment I opened this book I was hooked. This book is caring and tender, challenging and action-driven. It is now on my recommendation list." —Esther Perel, author of Mating in Captivity and The State of Affairs, host of Where Should We Begin? podcast How is it that the internet connects us to a world of people, yet so many of us feel more isolated than ever? That we have hundreds, even thousands of friends on social media, but not a single person to truly confide in? Radha Agrawal calls this “community confusion,” and in *Belong* she offers every reader a blueprint to find their people and build and nurture community, because connectedness—as more and more studies show—is our key to happiness, fulfillment, and success. A book that’s equal parts inspiring and interactive, and packed with prompts, charts, quizzes, and full-color illustrations, *Belong* takes readers on a two-part journey. Part one is Going IN—a gentle but intentional process of self-discovery and finding out your true energy levels and VIA (values, interests, and abilities). Part two is Going OUT—building on all that you’ve learned about yourself to find those few special people who feed your soul, and discovering, or creating, the ever-widening groups that align with your aims and desires. As the Co-founder and CEO of the popular global morning dance community Daybreaker, Radha Agrawal developed an immense offline community with her team of Community Catalysts in 25 cities and on a dozen college campuses around the world by creating a physical space for people to connect, self-express, sweat, and dance. Now, Radha offers the life-changing strategies, tips, and tricks for making friends that will light your fire and give you the exhale of “Ahh, I’m home.” “Radha has written a book that’s fun to read, easy to digest, and embodies deep wisdom. This isn’t just a book I’m endorsing. This is a book that I want to buy multiple copies of because I have so many friends and acquaintances that will benefit from it. It’s the first book I couldn’t wait to finish reading it so I could give my copy to one of my friends to read the same day.” —Tony Hsieh, CEO of Zappos and author of Delivering Happiness

Songs of My People
Eric Easter 1992
Fifty African-American photojournalists portray African-American culture from the Mississippi cotton fields to the New York Stock Exchange

On the Side of My People
Louis A. Decaro Jr. 1997-08-01
The mythic figure of Malcolm X conjures up a variety of images--black nationalist, extremist, civil rights leader, hero. But how often is Malcolm X understood as a religious leader, a man profoundly affected by his relationship with Allah? During Malcolm's life and since, the press has focused on the Nation of Islam's rejection of integration, offering an extremely limited picture of its ideology and religious philosophy. Mainstream media have ignored the religious foundation at the heart of the Nation and failed to show it in light of other separatist religious movements. With the spirituality of cultic black Islam unexplored and the most controversial elements of the Nation exploited, its most famous member, Malcolm X, became one of the most misunderstood leaders in history. In *On the Side of My People*, Louis A. DeCaro, Jr. offers the first book length religious treatment of Malcolm X. Malcolm X was certainly a political man. Yet he was also a man of Allah, struggling with his salvation—as concerned with redemption as with revolution. Drawing on a wide variety of sources, including extensive interviews with Malcolm's oldest brother, FBI surveillance documents, the black press, and tape-recorded speeches and interviews, DeCaro examines the charismatic leader from the standpoint of his two conversion experiences--to the Nation while he was in jail and to traditional Islam climaxing in his pilgrimage to Mecca. Examining Malcolm beyond his well-known years as spokesman for the Nation, *On the Side My People* explores Malcolm's early religious training and the influence of his Garveyite parents, his relationship with Elijah Muhammad, his often overlooked journey to Africa in 1959, and his life as a traditional Muslim after the 1964 pilgrimage. In his critical analysis of *The Autobiography of Malcolm X*, DeCaro provides insight into the motivation behind Malcolm's own story, offering a key to understanding how and why Malcolm portrayed his life in his own autobiography as told to Alex Haley. Inspiring and necessary, *On the Side My People* presents readers with a Malcolm X few were privileged to know. By filling in the gaps of Malcolm's life, DeCaro paints a more complete portrait of one of the most powerful and relevant civil rights figures in American history. *I Hear My People Singing*
Kathryn Watterson 2017-06-06
A vivid history of life in Princeton, New Jersey, told through the voices of its African American residents *I Hear My People Singing* shines a light on a small but historic Black neighborhood at the heart of one of the most elite and world-renowned Ivy-League towns—Princeton, New Jersey. The vivid first-person accounts of more than fifty Black residents detail aspects of their lives throughout the twentieth century. Their stories show that the roots of Princeton’s African American community are as deeply intertwined with the town and university as they are with the history of the United States, the legacies of slavery, and the nation’s current conversations on race. Drawn from an oral history collaboration with residents of the Witherspoon-Jackson neighborhood, Princeton undergraduates, and their professor, Kathryn Watterson, neighbors speak candidly about Jim Crow segregation, the consequences of school integration, World Wars I and II, and the struggles for equal opportunities and civil rights. Despite three centuries of legal and economic obstacles, African American residents have created a flourishing, ethical, and humane neighborhood in which to raise their children, care for the sick and elderly, worship, stand their ground, and celebrate life. Abundantly filled with photographs, *I Hear My People Singing* personalizes the injustices faced by generations of Black Princetonians—including the famed Paul Robeson—and highlights the community’s remarkable

achievements. The introductions to each chapter provide historical context, as does the book’s foreword by noted scholar, theologian, and activist Cornel West. An intimate testament of the Black community’s resilience and ingenuity, *I Hear My People Singing* adds a never-before-compiled account of poignant black experience to an American narrative that needs to be heard now more than ever.

Start with Your People
Brian Dixon 2019-09-10
For all who want to build a life that abounds with connection, friendship, purpose, and meaningful success, Brian Dixon presents a simple yet profound mantra: Start with Your People. It can be easy to become task-oriented, focusing on the goals ahead of us and checking off our to-do lists rather than focusing on the people in our lives. Entrepreneur and business coach Brian Dixon knows firsthand, and after one too many burned bridges and failed projects, he set out to discover the secret to living a life that matters and finding work you love. In *Start with Your People*, Brian shares principles, tips, and personal stories to help you maximize the most important resource to succeed in both life and calling: relationships. Join Brian on a journey to discover the people-first mindset that changes everything, including: Why your family actually helps you succeed, and how to see your kids as a legacy instead of a liability The fastest, safest way to deal with the difficult people in your life A 10-step method to create your own personal mission statement The #1 key to unlocking a powerful network Plus, you get 11 powerful mindset hacks including Brian’s life-changing morning practice Perfect for anyone looking to better live their purpose—whether a business executive, employee, stay-at-home mom, college graduate, entrepreneur, pastor, etc.—and lean into your home team as you move forward with clarity and confidence. Brian says, “When we really get down to it, our main legacy will be the investment we made in people.” What’s yours?

American Slavery
Heather Andrea Williams 2014
"This short introduction to American slavery begins with the Portuguese capture of Africans in the 1400s and, drawing upon the scholarship of numerous historians as well as the analysis of primary documents, explores the development of slavery in the American colonies and later, the United States of America. It analyzes early legislation in Virginia that differentiated Indians and Africans from Europeans and began the process of stratifying society based on racial categories. Unlike some recent scholarship, it is attentive to the actual labor that enslaved people performed, reminding us that more than anything else, slavery was a system of forced labor that produced wealth for a new nation. And, it considers the tensions that arose between enslaved and enslavers as they interacted with one another, exerting control and undermining efforts at domination. Throughout, it explores slavery within the context of moral contradiction that included the development of an ideology that valorized freedom alongside a practice and justification of slavery that deemed inferior and denied freedom to a large swath of the population. The book explores conflicts between abolitionists who worked to eliminate slavery and pro-slavery advocates who worked doggedly to sustain the power and wealth they derived from the institution. It ends with the abolition of slavery in America following the Civil War"--

Home Is Where My People Are
Sophie Hudson 2015
The author recounts her own journey through life and the people, places, and experiences that shaped her

Food of My People
Candas Jane Dorsey 2020-11-13
Fating is a symbolic and magical act, a transformation, a covenant, a ritual, a comfort, a necessity - but all through history, food-themed stories have also had their dark sides. Food can be integral to the magic, the meetings, the processes of fantastical fiction: from myth and legend to high fantasy, from hard-science speculative fiction to post-modern magical realism, from Hansel and Gretel to Soylent Green, from Persephone to 2001, from Alice in Wonderland to Alien. In this anthology, Ursula Pflug and Candas Jane Dorsey, two award-winning senior writers of literary speculation, have gathered a range of speculative writing that recognizes both our attraction to the candy coating and our fascination with the poisoned apple. Paired with each story is a recipe, real or fantastical, for food mentioned in the story: consume at your own risk!

Let My People Go Surfing
Yvon Chouinard 2016-09-06
"Wonderful . . . a moving autobiography, the story of a unique business, and a detailed blueprint for hope." —Jared Diamond, Pulitzer Prize-winning author of Guns, Germs, and Steel In this newly revised 10th anniversary edition, Yvon Chouinard—legendary climber, businessman, environmentalist, and founder of Patagonia, Inc.—shares the persistence and courage that have gone into being head of one of the most respected and environmentally responsible companies on earth. From his youth as the son of a French Canadian handyman to the thrilling, ambitious climbing expeditions that inspired his innovative designs for the sport’s equipment, Let My People Go Surfing is the story of a man who brought doing good and having grand adventures into the heart of his business life—a book that will deeply affect entrepreneurs and outdoor enthusiasts alike.

Firewater
Harold Johnson 2016
A passionate call to action from a veteran prosecutor, Firewater examines alcohol—its history, its myths, and its devastating impact on Indigenous and non-Indigenous people alike.

White Fragility
Robin DiAngelo 2019-02-07
The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine Anger. Fear. Guilt. Denial. Silence. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in *White Fragility* lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, *New Yorker* 'A vital, necessary, and beautiful book' Michael Eric Denson

My People
Valerie Ann Leeds 1994

Let My People Vote
Desmond Meade 2020-10-06
The inspiring and eye-opening true story of one man’s undying belief in the power of a fully enfranchised nation. “You may think the right to vote is a small matter, and if you do, I would bet you have never had it taken away from you.” Thus begins the story of Desmond Meade and his inspiring journey to restore voting rights to roughly 1.4 million returning citizens in Florida—resulting in a stunning victory in 2018 that enfranchised the most people at once in any single initiative since women’s suffrage. Let My People Vote is the deeply moving, personal story of Meade’s life, his political activism, and the movement he spearheaded to restore voting rights to returning citizens who had served their terms. Meade survived a tough childhood only to find himself with a felony conviction. Finding the strength to pull his life together, he graduated summa cum laude from college, graduated from law school, and married. But because of his conviction, he was not even allowed to sit for the bar exam in Florida. And when his wife ran for state office, he was filled with pride—but not permitted to vote for her. Meade takes us on a journey from his time in homeless shelters, to the exhilarating, joyful night in November of 2018, when Amendment 4 passed with 65 percent of the vote. Meade’s story, and his commitment to a fully enfranchised nation, will prove to readers that one person really can make a difference.

My People the Sioux
Luther Standing Bear 2006-11-01
Landmark description of life of the Lakota Indians in the late nineteenth century from the perspective of an Indian.

My People
Langston Hughes 2009-01-06
The inspirational words of this celebrated writer’s poem are brought to life through a collection of brilliant sepia-colored photographs throughout capturing the diverse features, hearts, and souls of its subjects.

Self-taught
Heather Andrea Williams 2009-06-03
'With great skill, Heather Williams demonstrates the centrality of black people to the process of formal education—the establish-ment of schools, the creation of a cadre of teachers, the forging of standards of literacy and numeracyin the post-emancipation years. As she does, Williams makes the case that the issue of education informed the Reconstruction periodthe two-cornered struggle between North and South over the rebuilding of Southern society, the three-cornered struggle between white Northerners, white Southerners, and black people over the nature of education, and the less well known contest between black Northerners and black Southerners over the direction of African American culture. Self-Taught is a work of major significance.' "IRA BERLIN University of Maryland "Self-Taught is not merely the most comprehensive documentation and analysis of African American education in the South during the 18611871 period, it is in every respect the first definitive study of the formative stages of universal literacy and formal education among ex-slaves. Never before has anyone described so fully the broad range of roles and the significant contributions of African Americans to the development of formal and public education in the South for themselves and for the entire region.'" JAMES D. ANDERSON University of Illinois at Urbana-Champaign

Find Your People
Jennie Allen 2022-02-22
NEW YORK TIMES BESTSELLER • The author of Get Out of Your Head offers practical solutions for creating true community, the kind that’s crucial to our mental and spiritual health. “My dear friend Jennie Allen shows us how to make true emotional connections with the right people so that our authentic relationships can be healthy for all.”—Lysa TerKeurst, author of It’s Not Supposed to Be This Way in a world that’s both more connected and more isolating than ever before, we’re often tempted to do life alone, whether because we’re so busy or because relationships feel risky and hard. But science confirms that consistent, meaningful connection with others has a powerful impact on our well-being. We are meant to live known and loved. But so many are hiding behind emotional walls that we’re experiencing an epidemic of loneliness. In *Find Your People*, bestselling author Jennie Allen draws on fascinating insights from science and history, timeless biblical truth, and vulnerable stories from her own life to help you:
• overcome the barriers to making new friends and learn to initiate with easy-to-follow steps
• find simple ways to press through awkward to get to authentic in conversations
• understand how conflict can strengthen relationships rather than destroy them
• identify the type of friend you are and the types of friends you need
• learn the five practical ingredients you need to have the type of friends you’ve always longed for
You were created to play, engage, adventure, and explore—with others. In *Find Your People*, you’ll discover exactly how to dive into the deep end and experience the full wonder of community. Because while the ache of loneliness is real, it doesn’t have to be your reality.

American Nerd
Benjamin Nugent 2008-05-13
Most people know a nerd when they see one but can't define just what a nerd is. American Nerd: The Story of My People gives us the history of the concept of nerdiness and of the subcultures we consider nerdy. What makes Dr. Frankenstein the archetypal nerd? Where did the modern jock come from? When and how did being a self-described nerd become trendy? As the nerd emerged, vaguely formed, in the nineteenth century, and popped up again and again in college humor journals and sketch comedy, our culture obsessed over the designation. Mixing research and reportage with autobiography, critically acclaimed writer Benjamin Nugent embarks on a fact-finding mission of the most entertaining variety. He seeks the best definition of nerd and illuminates the common ground between nerd subcultures that might seem unrelated: high-school debate team kids and ham radio enthusiasts, medieval reenactors and pro-circuit Halo players. Why do the same people who like to work with computers also enjoy playing Dungeons & Dragons? How are those activities similar? This clever, enlightening book will appeal to the nerd (and antinerd) that lives inside all of us.

Let My People Go Surfing
Yvon Chouinard 2005
The personal stories of the founder of Patagonia, Inc. describes his underprivileged childhood as an immigrant in southern California, early fame as a successful mountain climber, and company’s dedication to quality and environmental responsibility. 75,000 first printing.

The Bible in History
David William Kling 2006
In this book, David Kling traces the fascinating story of how specific biblical texts have at different times emerged to be the inspiration of movements that have changed the course of history.

Who Are Your People?
Bakari Sellers 2022-01-11
This inspiring picture book by New York Times bestselling author Bakari Sellers is a tribute to the family and community that help make us who we are. Perfect for sharing and gifting. When you meet someone for the first time, they might ask, Who are your people? and Where are you from? Children are shaped by their ancestors, and this book celebrates the village it takes to raise a child. In the vein of I Am Enough and Eyes That Kiss in the Corners, this powerful picture book with beautiful illustrations by Reggie Brown is a joyful recognition of the people and places that help define young readers and adults alike. Don't miss this picture book debut from Bakari Sellers, author of the acclaimed New York Times bestseller My Vanishing Country: A Memoir.

The Book of Lost Friends

THE NEW YORK TIMES BESTSELLER 'A tale of enduring power' Paula McLain
From the author of the No.1, two million-copy bestseller *Before We Were Yours* comes a dramatic story of a family separated, their search for answers, and an epic journey to reunite the missing . . . Louisiana, 1875: In the tumultuous aftermath of Reconstruction, three young women set off as unwilling companions on a perilous quest. For heiresses Lavinia and Juneau Jane, the journey is one of inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery’s end, the pilgrimage westward reignites an agonizing question. Could her long-lost family still be out there? Louisiana, 1987: Arriving in Augustine, Louisiana, first-year teacher Benedetta Silva finds herself teaching students whose poverty-stricken lives she can scarcely comprehend. The town is impossibly set in its ways, suspicious of new ideas and new people. But amid the gnarled live oaks and ancient plantation homes lies the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. A heart-wrenching novel inspired by little-known historical events, based on actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as freed slaves desperately searched for loved ones, lost to them when their families were sold off. "Tragic, thought-provoking but ultimately uplifting . . . an enthralling adventure" Lancashire Evening Post

Help Me to Find My People
Heather Andrea Williams 2012-06-01
After the Civil War, African Americans placed poignant "information wanted" advertisements in newspapers, searching for missing family members. Inspired by the power of these ads, Heather Andrea Williams uses slave narratives, letters, interviews, public records, and diaries to guide readers back to devastating moments of family separation during slavery when people were sold away from parents, siblings, spouses, and children. Williams explores the heartbreaking stories of separation and the long, usually unsuccessful journeys toward reunification. Examining the interior lives of the enslaved and freedpeople as they tried to come to terms with great loss, Williams grounds their grief, fear, anger, longing, frustration, and hope in the history of American slavery and the domestic slave trade. Williams follows those who were separated, chronicles their searches, and documents the rare experience of reunion. She also explores the sympathy, indifference, hostility, or empathy expressed by whites about sundered black families. Williams shows how searches for family members in the post-Civil War era continue to reverberate in African American culture in the ongoing search for family history and connection across generations.

My People, the Amish
Joe Keim 2017-06-01
In *My People*, the Amish, Joe Keim paints a detailed picture of life behind the bonnets and buggies. More than a biography, this is an honest look at the heart-warming traditions that mingle with the deep-rooted legalism of the Amish community in Ashland, Ohio. Born, raised, and baptized in an Old Order Amish church, from childhood Joe Keim was taught that if he didn't follow the twenty-two-page ordinance letter that governed his community, there was no way he could get to heaven. What started as a path of rebellion led Joe and his wife Esther to a caring group of Englisher Christians who would love them like family and show them how to live out their new found faith in Jesus Christ. Nine months after their traditional Amish wedding, Joe and Esther left family and friends forever to live openly for Christ, and endured shunning and excommunication with bold faith. Since then, the Lord has brought many former Amish people to Joe and Esther for help. Because of their passion for the Amish people and with the support of fellow believers, they have brought biblical truth to thousands of Amish through the ministry they founded in 2000, Mission to Amish People (MAP).
