Reasons U.S. Women Have Abortions: Quantitative and Qualitative ...

The research into U.S. women's reasons for having abortions has been limited. In a 1985 study of 500 women in Kansas, unreadiness to parent was the reason most often given for having an abortion, followed by lack of financial resources and absence of a partner. 3 In 1987, a survey of 1,900 women at large abortion providers across the coun-
