Kindly say, the The Love Of Last Tycoon F Scott Fitzgerald is universally compatible with any devices to read

Id Die for You: And Other Lost Stories
F. Scott Fitzgerald 2017-04-25
****THE SUNDAY TIMES TOP TEN BESTSELLER****
‘This belated collection shows us the depths of Fitzgerald’s vision and talent. Only now are we beginning to appreciate what was lost’
The Pool I’d Die for You is a collection of the last remaining unpublished short stories by F. Scott Fitzgerald, iconic author of The Great Gatsby and Tender Is the Night. All eighteen short fictions collected here were lost in one sense or another: physically lost, coming to light only recently; lost in the turbulence of Fitzgerald’s later life; lost to readers because his editors sometimes did not understand what he was trying to write. These fascinating stories offer a new insight into the arc of Fitzgerald’s career, and demonstrate his stylistic agility and imaginative power as a writer at the forefront of Modern literature. Praise for I’d Die for You: ‘Superbly edited and annotated, this richly fascinating miscellany is a marvellous reminder of what was lost when, at forty-four, a coronary killed Fitzgerald’
Sunday Times ‘Forward-thinking for their time . . . Fitzgerald was a master of short story writing’
The Times ‘This much-vaunted collection of stories . . . is a ragtag bundle of surprises, curios, irrelevancies and delights . . . We can marvel at the strength of his imagination, his display of elegance and precision’
Sunday Telegraph ‘Readers will find much to enjoy in this gorgeously produced book’
New York Times ‘A beguiling meditation on the dark side of wealth and the American dream’
Independent
The Last Tycoon
F. Scott Fitzgerald 2002-01-31
A mysterious woman stands and smiles at Monroe Stahr, the last of the great Hollywood princes. Enchanted by one another, they begin a passionate but hopeless love affair.

Against the Current
Frances Kroll Ring 1987-03
A remembrance of one of America’s greatest modern authors by his last secretary.

The Complete Books of F. Scott Fitzgerald (all his 5 novels + all 4 short story collections published during his lifetime)
F. Scott Fitzgerald 2013-11-20
This carefully crafted ebook: “The Complete Books of F. Scott Fitzgerald” is formatted for your eReader with a functional and detailed table of contents. This eBook offers you the unique opportunity of exploring F. Scott Fitzgerald’s work in a manner never before possible in digital print. The edition includes every Fitzgerald story collection (published in his lifetime), short story, with poems and non-fiction.
Novels: This Side of Paradise (New York: Charles Sons, 1920) The Beautiful and Damned (New York: Scribners, 1922) The Great Gatsby (New York: Scribners, 1925) Tender Is the Night (New York: Scribners, 1934) The Love of the Last Tycoon – originally The Last Tycoon – (New York: Scribners, unfinished, published posthumously, 1941) Short story collections: Flappers and Philosophers (New York: Scribners, 1921) Tales of the Jazz Age (New York: Scribners, 1922) All the Sad Young Men (New York: Scribners, 1926) Taps at Reveille (New York: Scribners, 1935)
Francis Scott Key Fitzgerald (1896 – 1940) was an American writer of novels and short stories, whose works have been seen as evocative of the Jazz Age, a term he himself allegedly coined. He is regarded as one of the greatest twentieth century writers. Fitzgerald was of the self-styled “Lost Generation,” Americans born in the 1890s who came of age during World War I. He finished four novels, left a fifth unfinished, and wrote dozens of short stories that treat themes of youth, despair, and age. He was married to Zelda Fitzgerald.

Dear Scott, Dearest Zelda
F. Scott Fitzgerald 2019-07-23
“Pure and lovely...to read Zelda’s letters is to fall in love with her.” —The Washington Post
Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald’s granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple’s epic love story in their own words. Scott and Zelda Fitzgerald’s devotion to each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In Dear Scott, Dearest Zelda, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda’s granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

The Last Tycoon
F. Scott Fitzgerald 2002-01-31
A mysterious woman stands and smiles at Monroe Stahr, the last of the great Hollywood princes. Enchanted by one another, they begin a passionate but hopeless love affair.

The Love of the Last Tycoon
Francis Scott Fitzgerald 1994
F. Scott Fitzgerald died in 1940 before he finished this novel. This text purges the printers’ errors and editorial interventions that have appeared in previous editions. The tragic centre of the book is film producer Monroe Stahr, who sees film as art, rather than a money-making device.

THE GREAT GATSBY
F. SCOTT FITZGERALD 2021-06-21

The Short Stories of F. Scott Fitzgerald
F. Scott Fitzgerald 1998-04-15
F. Scott Fitzgerald is best known for his novels such as THE GREAT GATSBY, but during his all-too-brief literary life, he sold some 160 short stories to popular magazines. Here, noted scholar and biographer Matthew Bruccoli assembles in one volume the full scope of the best of Fitzgerald’s short fiction. These 43 sparkling masterpieces are offered in a handsome Scribner Classics edition, perfect for the home library.

Tales of the Jazz Age
Francis Scott Fitzgerald 1991
Jim Powell was a Jelly-bean. Much as I desire to make him an appealing character, I feel that it would be unscrupulous to deceive you on that point. He was a bred-in-the-bone, dyed-in-the-wool, ninety-nine three-quarters per cent Jelly-bean and he grew lazily all during Jelly-bean season, which is every season, down in the land of the Jelly-beans well below the Mason-Dixon line. Now if you call a Memphis man a Jelly-bean he will quite possibly pull a long sinewy rope from his hip pocket and hang you to a convenient telegraph-pole. If you Call a New Orleans man a Jelly-bean he will probably grin and ask you who is taking your girl to the Mardi Gras ball. The particular Jelly-bean patch which produced the protagonist of this history lies somewhere between the two—a little city of forty thousand that has dozed sleepily for forty thousand years in southern Georgia occasionally stirring in its slumbers and muttering something about a war that took place sometime, somewhere, and that everyone else has forgotten long ago. Jim was a Jelly-bean. I write that again because it has such a pleasant sound—rather like the beginning of a fairy story—as if Jim were nice. It somehow gives me a picture of him with a round, appetizing face and all sort of leaves and vegetables growing out of his cap. But Jim was long and thin and bent at the waist from stooping over pool-tables, and he was what might have been known in the indiscriminating North as a corner loafer. "Jelly-bean" is the name throughout the undissolved Confederacy for one who spends his life conjugating the verb to idle in the first person singular—I am idling, I have idled, I will idle. Jim was born in a white house on a green corner. It had four weather-beaten pillars in front and a great amount of lattice-work in the rear that made a cheerful criss-cross background for a flowery sun-drenched lawn. Originally the dwellers in the white house had owned the ground next door and that next door to that, but this had been so long ago that even Jim’s father, scarcely remembered it. He had, in fact, thought it a matter of so little moment that when he was dying from a pistol wound got in a brawl he neglected even to tell little Jim, who was five years old and miserably frightened. The white house became a boarding-house run by a tight-lipped lady from Macon, whom Jim called Aunt Mamie and detested with all his soul. He became fifteen, went to high school, wore his hair in black snarls, and was afraid of girls. He hated his home where four women and one old man prolonged an interminable chatter from summer about to summer about what lots the Powell place had originally included and what sorts of flowers would be out next. Sometimes the parents of little girls in town, remembering Jim’s mother and fancying a resemblance in the dark eyes and hair, invited him to parties, but parties made him shy and he much preferred sitting on a disconnected axle in Tilly’s Garage, rolling the bones or exploring his mouth endlessly with a long straw. For pocket money, he picked up odd jobs, and it was due to this that he stopped going to parties. At his third party little Marjorie Haight had whispered indiscreetly and within hearing distance that he was a boy who brought the groceries sometimes. So instead of the two-step and polka, Jim had learned to throw, any number he desired on the dice and had listened to spicy tales of all the shootings that had occurred in the surrounding country during the past fifty years.

A New Leaf
F. Scott Fitzgerald 2015-01-30
“A New Leaf” is a short story by F. Scott Fitzgerald that published in July 1931 in "The Saturday Evening Post".

The Crack-Up
F. Scott Fitzgerald 2009-02-27
A self-portrait of a great writer’s rise and fall, intensely personal and etched with Fitzgerald’s signature blend of romance and realism. The Crack-Up tells the story of Fitzgerald’s sudden descent at the age of thirty-nine from glamorous success to empty despair, and his determined recovery. Compiled and edited by Edmund Wilson shortly after F. Scott Fitzgerald’s death, this revealing collection of his essays—as well as letters to and from Gertrude Stein, Edith Wharton, T.S. Eliot, John Dos Passos—tells of a man with charm and talent in burn, whose gaiety and genius made him a living symbol of the Jazz Age, and whose recklessness brought him grief and loss. "Fitzgerald’s physical and spiritual exhaustion is described brilliantly," noted The New York Review of Books: "the essays are amazing for the candor."

The Last Tycoon
Fitzgerald F.S. 1958
F. S. Fitzgerald (1896–1940) was an American writer, whose works illustrate the Jazz Age. «The Last Tycoon» is a magnifi cient story of doomed love set against the extravagance of America’s booming fi lm industry. The studio lot looks like ‘thirty acres of fairyland’ the night that a mysterious woman stands and smiles at Monroe Stahr, the last of the great Holly wood princes. Enchanted by one another, they begin a passionate but hopeless love affair, starting with a fast-moving seduction as slick as a scene from one of Stahr’s pictures. The romance unfolds, frame by frame, watched by Cecilia, a thoroughly modern girl who has taken her lessons in sentiment and cynicism from all the movies she has seen.

Fitzgerald: The Love of the Last Tycoon
F. Scott Fitzgerald 1993-12-24
Provides the complete text of Fitzgerald’s unfinished novel about Hollywood, and includes information about its background and facsimiles of his working notes
Tender Is the Night and the Last Tycoon
F. Scott Fitzgerald 2011
With an Introduction and Notes by Henry Claridge, Senior Lecturer, School of English, University of Kent at Canterbury. Tender is the Night is a story set in the hedonistic high society of Europe during the ‘Roaring Twenties’. A wealthy schizophrenic, Nicole Warren, falls in love with Dick Diver - her psychiatrist. The resulting saga of the Divers’ troubled marriage, and their circle of friends, includes a cast of aristocratic and beautiful people, unhappy love affairs, a duel, incest, and the problems inherent in the possession of great wealth. Despite cataloguing a maelstrom of interpersonal conflict, Tender is the Night has a poignancy and warmth that springs from the quality of Fitzgerald’s writing and the tragic personal experiences on which the novel is based. Six years separate Tender is the Night and The Last Tycoon, the novel Fitzgerald left unfinished at his death in December 1940. Fitzgerald lived in Hollywood more or less continuously from July 1937 until his death, and a novel about the film industry at the height of ‘the studio system’ centred on the working life of a top producer was begun in 1939. Even in its incomplete state The Last Tycoon remains the greatest American novel about Hollywood and contains some of Fitzgerald’s most brilliant writing.

The Complete Novels of F. Scott Fitzgerald (Unabridged)
Francis Scott Fitzgerald 2017-12-06
Fitzgerald won fame and fortune for his first novel, This Side of Paradise. It is an immature work but was the first novel to anticipate the pleasure-seeking generation of the Roaring Twenties. A similar novel, The Beautiful and Damned increased his popularity. The Great Gatsby was less popular than Fitzgerald’s early works, but it was his masterpiece and the first of three successive novels that give him lasting literary importance. The lively yet deeply moral novel centers around Jay Gatsby, a wealthy bootlegger. It presents a penetrating criticism of the moral emptiness Fitzgerald saw in wealthy American society of the 1920’s. Fitzgerald’s next novel, Tender Is the Night, is a beautifully written but disjointed account of the general decline of a few glamorous Americans in Europe. The book failed because readers during the Great Depression of the 1930s were not interested in Jazz Age “parties.” Fitzgerald died before he completed The Love of the Last Tycoon, a novel about Holly wood life. Critics generally agree that Fitzgerald’s early success damaged his personal life and marred his literary production. This success led to extravagant living and a need for a large income. It probably contributed to Fitzgerald’s alcoholism and the mental breakdown of his wife, Zelda. The success also probably led to his physical and spiritual

collapse. Fitzgerald spent his last years as a scriptwriter in Hollywood. Francis Scott Key Fitzgerald (1896 – 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined.

The Last Tycoon
Francis Scott Fitzgerald 1968

The Pat Hobby Stories
F. Scott Fitzgerald 1962
Seventeen episodes in the life of a Holly wood scenario hack in the late 1930’s. Introduction by Arnold Gingrich, publisher of “Esquire”, in which the stories appeared from January 1940 to May 1941.

Paradise Lost
David S. Brown 2017-05-22
Pigeonholed as a Jazz Age epicurean and an emblem of the Lost Generation, Fitzgerald was at heart a moralist struck by the nation’s shifting mood and manners after WWI. Placing him among Progressives such as Charles Beard, Randolph Bourne, and Thorstein Veblen, David Brown reveals Fitzgerald as a writer with an encompassing historical imagination.

The Complete Works of F. Scott Fitzgerald (illustrated)
F. Scott Fitzgerald 2020-06-22
This collection compiles the works on which the fame of one of the most fascinating writers of the twentieth century was built. Francis Scott Fitzgerald became a mouthpiece for ideas and expressed the spiritual moods bubbling amongst the young people during the 1920s. Fitzgerald, in the words of Amory from This Side of Paradise (1920), wrote that a generation had “grown up to find all God’s dead, all wars fought, all faiths in man shaken”. Fitzgerald was the first to tell the world about the commencement of the “jazz age” with its carnival approach towards life- a lifestyle which he also followed. However, as a sensitive artist, he could not help but notice the dualistic nature of this philosophy. Fitzgerald’s writing demonstrated that a life spent at the carnival would inevitably lead to bankruptcy. Fitzgerald often worked on multiple short stories simultaneously while writing his novels. Later, these stories were compiled. His relationship and love for his wife Zelda fueled much of his writing. Her diagnosis and hospitalization for schizophrenia in 1930 affected him greatly. In his later years, Fitzgerald worked in Holly wood on movie scripts. His last novel, The Last Tycoon, remained unfinished at the time of his death in 1940 and reflected his Hollywood experiences.
THE NOVELS THIS SIDE OF PARADISE THE BEAUTIFUL AND DAMNED THE GREAT GATSBY TENDER IS THE NIGHT THE LOVE OF THE LAST TYCOON THE SHORT STORY COLLECTIONS FLAPPERS AND PHILOSOPHERS TALES FROM THE JAZZ AGE ALL THE SAD YOUNG MEN TAPS AT REVEILLE THE PAT HOBBY STORIES MISCELLANEOUS STORIES THE PLAYS AND SCREENPLAYS THE POETRY THE NON-FICTION THE LETTERS

The Last Tycoon
F. Scott Fitzgerald 2013
These sumptuous new hardback editions mark the 70th anniversary of Fitzgerald’s death. Their eyes ’met and tangled. For an instant they made love as no one ever dares to do after. Their glance was slower than an embrace, more urgent than a call’. A novel of the glittering decadence of Hollywood in its heyday, this was Fitzgerald’s last work and he died without completing it. The novel’s tragic tycoon hero is Stahr. Caught in the crossfire of his own effortless cynicism and his silent, secret vulnerability, Stahr inhabits a world dominated by business, alcohol and promiscuity. If there is a moral or social necessity to film-making in this West Coast never-never land, Stahr does not always believe in it. If there is love he does not always see it. The sharpness of Fitzgerald’s prose, the steely simplicity of his style, give a cutting edge to this study of Hollywood in the thirties, from which Fitzgerald draws a painfully bitter-sweet love affair and bids his own poignant farewell to the Great American Dream.

A Short Autobiography
F. Scott Fitzgerald 2011-08-02
A self-portrait of a great writer. A Short Autobiography charts Fitzgerald’s progression from exuberant and cocky with ‘What I think and Feel at 25’, to mature and reflective with ‘One Hundred False Starts’ and ‘The Death of My Father.’ Compiled and edited by Professor James West, this revealing collection of personal essays and articles reveals the beloved author in his own words.

West of Sunset
Stewart O’Nan 2017-01-01
In 1937, F. Scott Fitzgerald was a troubled, uncertain man whose literary success was long behind him. In poor health, with his wife consigned to a mental asylum and his finances in ruin, he struggled to make a new start as a screenwriter in Hollywood. With flashbacks to key moments from Fitzgerald’s past, the story follows him as he arrives on the MGM lot, falls in love with brassy gossip columnist Sheilah Graham, begins work on The Last Tycoon, and tries to maintain a semblance of family life with the absent Zelda and their daughter, Scottie. Written with striking grace and subtlety, this wise and intimate portrait of a man trying his best to hold together a world that’s flying apart, if not gone already, is an American masterpiece.

LOVE OF THE LAST TYCOON
Francis Scott Fitzgerald 2013
This carefully crafted ebook: “The Love of the Last Tycoon: a Western + Fitzgerald’s Notes for The Last Tycoon - The Original 1941 Edition” is formatted for your eReader with a functional and detailed table of contents. The Love of The Last Tycoon is an unfinished novel by F. Scott Fitzgerald, compiled and published posthumously. The notes for the novel were initially collected and edited by the literary critic Edmund Wilson, who was a close friend of Fitzgerald, and the unfinished novel was published in 1941 as The Last Tycoon, though there is now critical agreement that Fitzgerald intended The Love of the Last Tycoon to be the book’s title.Inspired by the life of film producer Irving Thalberg, on whom protagonist Monroe Stahr is based, the story follows Stahr’s rise to power in Hollywood, and his conflicts with rival Pat Brady, a character based on studio head Louis B. Mayer. Francis Scott Key Fitzgerald (1896 - 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.

“The Last of the Novelists”
Matthew Joseph Bruccoli 1977
Re-creating the author’s intention from the manuscripts, this study shows that Fitzgerald regarded none of his material as final but, rather, as material toward a novel quite possibly about the American Dream—a respectful study of the American business hero. Mr. Bruccoli’s transcription and analyses of the manuscripts and notes for the unfinished novel serve two related purposes: they enable us to gauge the state of F. Scott Fitzgerald’s work-in-progress at the time of his death and thereby to reassess this work properly. Examination of Fitzgerald’s drafts reveal that he regarded none of this material as finished. There are no final drafts—only latest working drafts. After Chapter One there are no chapters, and even this is marked for rewrite. And Fitzgerald’s undated last outline provides only topics or ideas for the thirteen unwritten episodes. The Last Tycoon has always been read as a Hollywood novel—a novel about the movies. It is far from certain that the title was final, but it is clear that Fitzgerald conceived Monroe Stahr as a “tycoon.” Fitzgerald’s tentative title “The Love of the Last Tycoon: A Western” is instructive: it connects Stahr with all the other poor boys who went West to seek their fortunes. “I am the last of the novelists for a long time now,” Fitzgerald wrote in a note for The Last Tycoon. His statement does not refer to technique or to form. Mr. Bruccoli claims; it can be understood only in terms of theme and character. Stahr exemplifies Fitzgerald’s belief in the American Dream—decency, honor, courage, responsibility, and the possibilities of the American life—and Fitzgerald regarded himself as the last of the American novelists writing on this great theme.

The Last Tycoon
F. Scott Fitzgerald 2003-05-27
The Last Tycoon, edited by the renowned literary critic Edmund Wilson, was first published a year after Fitzgerald’s death and includes the author’s notes and outline for his unfinished literary masterpiece. It is the story of the young Hollywood mogul Monroe Stahr, who was inspired by the life of boy-genius Irving Thalberg, and is an exposé of the studio system in its heyday.

Flappers and Philosophers
F. Scott Fitzgerald 2010-07
Encompassing the very best of F. Scott Fitzgerald’s short fiction, this collection spans his career, from the early stories of the glittering Jazz Age, through the lost hopes of the thirties, to the last, twilight decade of his life. It brings together his most famous stories, including ‘The Diamond as Big as the Ritz’, a fairy tale of unlimited wealth; the sad and hilarious stories of Hollywood hack Pat Hobby; and ‘The Lost Decade’, written in Fitzgerald’s last years.

The Love of the Last Tycoon
F. Scott Fitzgerald 1994
Depicts the inner-workings of the Hollywood movie industry and its impact on the fabric of American life.

The Pat Hobby Stories
F. Scott Fitzgerald 2017-08-15
The setting: Hollywood: the character: Pat Hobby, a down-and-out screenwriter trying to break back into show business, but having better luck getting into bars. Written between 1939 and 1940, when F. Scott Fitzgerald was working for Universal Studios, the seventeen Pat Hobby stories were first published in Esquire magazine and present a bitterly humorous portrait of a once-successful writer who becomes a forgotten hack on a Hollywood lot. “This was not art” Pat Hobby often said, “this was an industry” where whom “you sat with at lunch was more important than what you dictated in your office.” Pat Hobby’s Christmas Wish (excerpt) It was Christmas Eve in the studio. By eleven o’clock in the morning, Santa Claus had called on most of the huge population according to each one’s deserts. Sumptuous gifts from producers to stars, and from agents to producers arrived at offices and studio bungalows: on every stage one heard of the roguish gifts of casts to directors or directors to casts; champagne had gone out from publicity office to the press. And tips of fifties, tens and fives from producers, directors and writers fell like manna upon the white collar class. In this sort of transaction there were exceptions. Pat Hobby, for example, who knew the game from twenty years’ experience, had had the idea of getting rid of his secretary the day before. They were sending over a new one any minute—but she would scarcely expect a present the first day. Waiting for her, he walked the corridor, glancing into open offices for signs of life. He stopped to chat with Joe Hopper from the scenario department. ‘Not like the old days,’ he mourned, “Then there was a bottle on every desk.” ‘There’re a few around.’ ‘Not many.’ Pat sighed. ‘And afterwards we’d run a picture—made up out of cutting-room scraps.’ ‘I’ve heard. All the suppressed stuff,’ said Hopper. Pat nodded, his eyes glistening. ‘Oh, it was juicy. You darned near ripped your guts laughing—’ He broke off as the sight of a woman, pad in hand, entering his office down the hall recalled him to the sorry present. ‘Gooddorf has me working over the holiday,’ he complained bitterly. ‘I wouldn’t do it.’ ‘I wouldn’t either except my four weeks are up next Friday, and if I bucked him he wouldn’t extend me.’ As he turned away Hopper knew that Pat was not being extended anyhow. He had been hired to script an old-fashioned horse-opera and the boys who were “writing behind him”—that is working over his stuff—said that all of it was old and some didn’t make sense. ‘I’m Miss Kagle,’ said Pat’s new secretary... Francis Scott Key Fitzgerald (September 24, 1896 – December 21, 1940), known professionally as F. Scott Fitzgerald, was an American novelist and short story writer, whose works illustrate the Jazz Age. While he achieved limited success in his lifetime, he is now widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. He finished four novels: This Side of Paradise, The Beautiful and Damned, The Great Gatsby, and Tender Is the Night. A fifth, unfinished novel, The Last Tycoon, was published posthumously. Fitzgerald also authored 4 collections of short stories, as well as 164 short stories in magazines during his lifetime.

The Bridal Party
F. Scott Fitzgerald 2015-03-10
“The Bridal Party” is a short story written by F. Scott Fitzgerald featured in the Saturday Evening Post on August 9, 1930. The story is based on Ludlow Fowler’s brother’s, Powell Fowler, May 1930 Paris wedding. It is Fitzgerald’s first story dealing with the stock market crash, and celebrates the end of the period when wealthy Americans colonized Paris.

Philosophers Stories 1920–25 The Beautiful and Damned Tales of the Jazz Age The Vegetable The Great Gatsby All the Sad Young Men Stories 1926–34 Tender is the Night Taps at Reveille Stories 1935–40 The Love of the Last Tycoon Stories 1941– The Pat Hobby Stories Miscellaneous Writings Francis Scott Key Fitzgerald (1896 – 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.

Flappers and Philosophers F.Scott Fitzgerald 2021-05-19 Flappers and Philosophers is the first collection of short stories written by F. Scott Fitzgerald, published in 1920. It includes eight stories: "The Offshore Pirate" "The Ice Palace" "Head and Shoulders" "The Cut-Glass Bowl" "Bernice Bobs Her Hair" "Benediction" "Dalyrimple Goes Wrong" "The Four Fists".

F. Scott Fitzgerald's The Last Tycoon Simon Levy 2013 1930s. The Golden Age of Hollywood. F. Scott Fitzgerald's masterpiece about the movie industry. The tragedy of a man obsessed. Monroe Stahr (loosely based on legendary producer Irving Thalberg) is in a fight with Pat Brady (loosely based on movie mogul Louis B. Mayer) over artistic control of his movies. The "Boy Wonder" is only 36 and the most celebrated producer in Hollywood, but already the corporate men are ready to throw him over if he doesn't turn a profit. In a world where money is God, art is seldom discussed. When Stahr decides to make his masterpiece, the "Shakespeare Project," as a tribute to his dead wife, knowing full well it will lose money, Brady and the Money Men try to bring him down. They stand a good chance. Stahr has a bad heart from a childhood illness. His doctor tells him if he doesn't slow down, he'll be "dead in six months." **But** Stahr is a man obsessed—with movies, with illusion, with memories of his dead wife, with a mysterious, enigmatic woman (Kathleen Moore) whom he met on the back lot after an earthquake nearly destroyed his studio. It's been years since he's cared about another woman. He pursues her, like his precious "Project," without regard to consequences. All around him are people who love and want to protect him—especially Cecelia Brady (Pat Brady's daughter), who takes us on a journey of love into the literal and metaphorical heart of a great man. Permission for adaptation courtesy of the Fitzgerald Estate.

Love of the Last Tycoon/The Crack-Up F. Scott Fitzgerald 2012 The Love of the Last Tycoon was originally published in 1941 as The Last Tycoon. The novel was inspired by the life of film producer Irving Thalberg, on whom its rotagonist Monroe Stahr was based. The story follows Stahr's rise to power in Hollywood, and his conflicts with rival Pat Brady, a fictionalised version of Louis B. Mayer. A 1976 film version was adapted for the screen by Harold Pinter, starring Robert De Niro as Monroe Stahr. The New York Times called the book 'the best piece of creative writing that we have about one phase of American life - Hollywood and the movies.' Fitzgerald's essay The Crack-up, was one of three originally published in Esquire and put together in a book under that title by Edmund Wilson, after Fitzgerald's death. It tells the story of the author's sudden descent at the age of thirty-nine from a life of success and glamour to one of emptiness and despair, and his determined recovery.

I'd Die For You

F. Scott Fitzgerald in Context Bryant Mangum 2013-03-18 The fiction of F. Scott Fitzgerald serves as a compelling and incisive chronicle of the Jazz Age and Depression Era. This collection explores the degree to which Fitzgerald was in tune with, and keenly observant of, the social, historical and cultural contexts of the 1920s and 1930s. Original essays from forty international scholars survey a wide range of critical and biographical scholarship published on Fitzgerald, examining how it has evolved in relation to critical and cultural trends. The essays also reveal the micro-contexts that have particular relevance for Fitzgerald's work - from the literary traditions of naturalism, realism and high modernism to the emergence of youth culture and prohibition, early twentieth-century fashion, architecture and design, and Hollywood - underscoring the full extent to which Fitzgerald internalized the world around him.

F. Scott Fitzgerald 2017-04-25 A collection including the last complete unpublished short stories by F. Scott Fitzgerald, the iconic American writer of The Great Gatsby who is more widely read today than ever. I'd Die For You is a collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, edited by Anne Margaret Daniel. Fitzgerald did not design the stories in I'd Die For You as a collection. Most were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald's lifetime, but were never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. They date from the earliest days of Fitzgerald's career to the last. They come from various sources, from libraries to private collections, including those of Fitzgerald's family. Readers will experience Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. "I'd Die For You," the collection's title story, is drawn from Fitzgerald's stays in the mountains of North Carolina when his health, and that of his wife Zelda, was falling apart. With the addition of a Hollywood star and film crew to the Smoky Mountain lakes and pines, Fitzgerald brings in the cinematic world in which he would soon be living. Most of the stories printed here come from this time period, during the middle and late1930s, though the collection spans Fitzgerald's career from 1920 to the end of his life. The book is subtitled And Other Lost Stories in recognition of an absence until now. Some of the eighteen stories were physically lost, coming to light only in the past few years. All were lost, in one sense or another: lost in the painful shuffle of the difficulties of Fitzgerald's life in the middle 1930s; lost to readers because contemporary editors did not understand or accept what he was trying to write; lost because archives are like that, and good things can wait patiently in libraries for many centuries sometimes. I'd Die For You And Other Lost Stories echoes as well the nostalgia and elegy in Gertrude Stein's famous phrase "a lost generation," that generation for whom Fitzgerald was a leading figure. Written in his characteristically beautiful, sharp, and surprising language, exploring themes both familiar and fresh, these stories provide new insight into the bold and uncompromising arc of Fitzgerald's career. I'd Die For You is a revealing, intimate look at Fitzgerald's creative process that shows him to be a writer working at the fore of modern literature—in all its developing complexities.
